RE: 2004 - 2006 Statewide Transportation Improvement Program (STIP) Amendment #7

Dear Mr. Miller:

The following minor amendment, which only requires FHWA approval, is submitted for your consideration.

The Department is proposing to add a \$250,000 utility phase in 2004 to **Richardson Highway: MP 341 Eielson Access Ramps**. We will offset the cost by reducing the construction phase of **Parks Highway: MP 204 - Summit RR Overcrossing** by \$250,000 in 2004. The STIP remains fiscally constrained.

This STIP amendment was developed in compliance with Title 23 - Section 135 and the State Planning Regulations. Projects that are in air quality non-attainment areas are in conformity with the State Implementation Plan for Air Quality.

Sincerely,

Carol Taylor  
Acting Planning Chief
